

2022 Transformational Collaborative Outcomes Management (TCOM) Conference In-Person Schedule

The [Praed Foundation](#) hosts a 3-day international [TCOM Conference](#) every year. Presentations at the annual conference reflect the use of Transformational Collaborative Outcomes Management (TCOM) and its tools. TCOM is the conceptual framework for the ANSA, CANS, FAST, and other TCOM tools. TCOM is used to manage systems, organizations, and programs whose mission is to help people change their lives in an important way.
