

TCOM - Transformational Collaborative Outcomes Management

For nearly two decades, the national 3-day TCOM Conference has provided a platform for professionals to gather, develop their skills, and share their work. A variety of individuals come to the conference to either gain or share their knowledge of data analytics, implementation, family support, and many other topics. Our attendees come from fields such as child welfare, mental health, behavioral health, social work, juvenile justice, education, and other complex systems of care. **The 18th Annual TCOM Conference will take place September 21 – 23, 2022 in New Orleans, LA and virtually September 26-27, 2022.**

TCOM is the conceptual framework for the TCOM tools (e.g. ANSA, CANS, FAST, RISE, SSIT, CAT). TCOM has a broad international reach, with 30 countries across the world implementing the TCOM framework and 115,000+ active users who train on the TCOM Tools on the online TCOM Training platform. With our continued expansion, the annual TCOM Conference continues to grow.

Why Sponsor?

If you are looking to build awareness of your organization to those who utilize the TCOM Tools, we highly encourage you to collaborate with us as a sponsor for the 2022 TCOM Conference. You are given the chance to increase your visibility with hundreds of professionals in systems of care. You will be able to introduce your product and work during our events, tabling, and other promotional methods. More than 400 individuals attend the TCOM Conference each year, and we are offering an in-person and virtual aspect for attendees, presenters, and sponsors to maximize our reach to the TCOM Collaborative.

Our sponsorship packages offer you a wide range of opportunities adapted to your needs and the level of visibility that you want to reach. In addition to existing packages, tailor-made partnerships can be created to adapt to your specific strategy and goals, whether looking for a high level of visibility before and during the conference or targeting a specific audience. Our Conference Coordinator is available for any questions you may have in regards to sponsorship.

Your organization will be highlighted throughout the course of your sponsorship commitment. But beyond benefits received, every dollar you contribute supports quality training and learning to parent partners, clinicians, supervisors, and administrators as we strive to offer more innovative approaches using the TCOM framework.

For more information, you may contact our TCOM Conference Team at communications@praedfoundation.org.
